

LAKELAND COLLEGE

Men's Basketball Coach Competition No: 02-2708-INS-MBB

Lakeland College is seeking a dynamic coach to lead its Men's Basketball program starting the September 2010 season, on the Lloydminster campus. As the Head Coach, your mission will be maintain an elite, post-secondary program that consistently challenges for the ACAC championships. This is an employment contract position, but teaching or work opportunities may be available in several areas to augment your coaching salary.

Lakeland College has an excellent, very supportive athletic staff team, including great coaches and managers as well as a great compliment of support staff. Lakeland College and the athletic program has taken great strides forward over the last number of years to provide the most competitive and positive athletic and academic experience to our student athletes.

Lakeland College offers a wide variety of high quality educational programs, and features a very competitive athletic and academic scholarship program. You will be encouraged to pursue some very talented athletes to build your championship caliber team, and you will have the resources and programs to recruit them.

The ideal candidate for this position should have NCCP Level 2 coaching certification plus experience successfully coaching basketball at an elite level. Previous experience coaching at the post secondary level would be a definite asset, but quality high school coaches may also apply. Candidates will possess strong interpersonal skills, organizational abilities, leadership attributes and suitable motivational skills for elite male athletes. The successful candidate will be required to conduct team practices and attend weekend competitions in Alberta and potentially exhibition competitions in other provinces. The head coach must also work cooperatively with Rustler athletic administration staff on fundraising and community relations activities.

The position will remain open until a suitable candidate is found, however applicants who apply by January 20, 2010 will be given preference. Submit your resume to:
